

## Naming rights

SHE'S never been one for name-dropping – much!

So we'd expect training queen **Sarina Russo** to trot out a celebrity to officially open Sarina Russo Job Access in the UK.

And so the local lass, who claims **Bill Clinton** as a personal mate, has.

Doing the honours for Sarina in Coventry in 10 days' time will be one **Cherie Blair**, wife of a one-time British prime minister and currently a pretender to the title of Emperor of All Europe – well European president anyway – **Tony Blair**.

Yep, you always get a name at a Russo knees-up.
