

# Community Project Forum

Greater productivity at no cost to you ..... are you interested?

---

Job Services Australia providers, local government organisations and local non-profit organisations have a rare opportunity to enhance people's skills by offering Work Experience Programs.

We are currently seeking expressions of interest from community service organisations and local businesses who are interested in working with us to reconnect jobseekers to the community.

---

To find out more about this rare opportunity  
you are invited to attend this forum on
